No. 907

MR. MINISTER,

I have the honor to communicate to Your Excellency the text of the arrangement between the United States of America and Belgium, providing for the acceptance by the one country of certificates of airworthiness of aircraft imported from the other country as merchandise, as understood by me to have been agreed to in the negotiations which have just been concluded between our two Governments as follows:

AN ARRANGEMENT BETWEEN BELGIUM AND THE UNITED STATES OF AMERICA CONCERNING THE ACCEPTANCE BY ONE OF THE PARTIES OF CERTIFICATES OF AIRWORTHINESS FOR AIRCRAFT IMPORTED AS MERCHANDISE FROM THE TERRITORY OF THE OTHER PARTY

1. The present arrangement applies to civil aircraft constructed in continental United States of America, exclusive of Alaska, and exported to Belgium; and to civil aircraft constructed in Belgium and exported to continental United States of America, exclusive of Alaska.

2. On condition that the agreement be reciprocal, certificates of airworthiness issued by the competent authorities of the Government of the United States in respect of aircraft subsequently registered in Belgium, shall have the same validity as if these certificates had been issued in accordance with the regulations in force on the subject in Belgium. However, the validity of a certificate issued in the United States shall in every case be subject to the issuance by the authorities of the Government of the United States of a special airworthiness certificate for exportation.
