

SHIP MEASUREMENT CERTIFICATES

Exchange of notes at Washington and New York August 21 and November 30, 1926

Entered into force November 30, 1926; operative in Estonia February 13, 1927, and in the United States April 2, 1927

47 Stat. 2597; Executive Agreement Series 9

The Acting Secretary of State to the Estonian Chargé d'Affaires ad interim

DEPARTMENT OF STATE
WASHINGTON, August 21, 1926

Sir:

With further reference to your note of July 17, 1926, in regard to the question of the mutual recognition of ship measurement certificates, with which you forwarded three copies in English of the Esthonian Regulations for tonnage measurement of ships, I have the honor to inform you that the authorities of this Government concerned are satisfied that the vessels of Esthonia may be deemed to be of the tonnage noted in the Certificate of Registry or other national papers, and that it will not, therefore, be necessary under existing law for such vessels to be remeasured in any port in the United States. It is, of course, requisite that the Government of Esthonia extend the same recognition to the Certificates of Registry or other national papers of the vessels of the United States.

I shall be obliged if you will bring the foregoing to the attention of your Government and will inform me of the reply so that appropriate instructions may be given to the officers charged with the enforcement of the navigation laws of this country.

Accept, Sir, the renewed assurances of my high consideration.

LELAND HARRISON
Acting Secretary of State

COLONEL VICTOR MUTT,
Chargé d'Affaires ad interim of Esthonia.
