Difficulties having arisen in the execution of the Convention concluded at St. Petersburg on the Twelfth day of July 1822,<sup>3</sup> under the Mediation of His Majesty The Emperor of all the Russias, between the United States of America and Great Britain, for the purpose of carrying into effect the Decision of His Imperial Majesty upon the differences which had arisen between the said United States and Great Britain, on the true construction and meaning of the First Article of the Treaty of Peace and Amity concluded at Ghent on the Twenty fourth day of December, 1814: <sup>4</sup> The said United States, and His Britannick Majesty, being equally desirous to obviate such difficulties, have respectively named Plenipotentiaries to treat and agree respecting the same, that is to say:
