DEPARTMENT OF STATE

WASHINGTON

July 25, 1947

SIR:

Due to the lapse of time between the approval of the Act to Provide for Assistance to Greece and Turkey, effective May 22, 1947,<sup>1</sup> and the actual arrival of American military equipment and supplies in Greece, the Government of the United States wishes to establish an arrangement with the Government of the United Kingdom which would:

(1) provide for the continuation of the furnishing of such supplies and equipment by the United Kingdom as are necessary for the Greek military program until United States supplies arrive in Greece;

(2) provide for the continued procurement by the Government of the United Kingdom of certain supplies required by the Greek Armed Forces which the Government of the United States is not now in a position to provide from its own resources.

Pending further arrangements, the Government of the United States hereby undertakes to the extent provided in this note to pay the Government of the United Kingdom for supplies and equipment issued, and for services incident to the procurement and delivery of such supplies and equipment provided by the Government of the United Kingdom to the Government of Greece for the Greek Armed Forces after May 22, 1947. Such issues shall be deemed to include all arrivals in Greece of such supplies and equipment after May 22,
