No. 20

OTTAWA, January 24th, 1948

EXCELLENCY,

I have the honour to refer to the Exchange of Notes of March 30, 1946<sup>2</sup> (No. 44 from this Department to you and your Note No. 470) on the subject of war surpluses and related matters.

2. Paragraph 10 of Note No. 44 referred to reads as follows:

“At the request of the Canadian Government, and in order to provide equipment necessary for the training programs of the Canadian armed forces, the United States Government will endeavour to make available surplus military type equipment, up to April 1, 1947, in such quantities and at such prices as may be negotiated between the two Governments up to a maximum cost of \$7,000,000 (U.S.). The Canadian Government will make a payment on account into a suspense account of the United States Government of \$7,000,000 (U.S.) to apply against such purchases. If the United States Government is unable to provide under this agreement the amount of equipment that the Canadian Government desires to purchase and therefore the payment on account should exceed the amount finally determined to be payable, the excess remaining in the suspense account will be returned to the Canadian Government.”
