The Canadian Minister to the Secretary of State

CANADIAN LEGATION

Washington, 2nd. October 1928

No. 147

SIR,

I have the honour to inform you that I have been instructed by the Secretary of State for External Affairs to approach you concerning the negotiation of an Agreement between His Majesty's Government in Canada and the Government of the United States governing radio communications between private experimental stations in the two countries.

The General Regulations annexed to the International Radiotelegraph Convention signed at Washington on November 25th. 1927,² and approved by His Majesty's Government in Canada, define the conditions under which communications shall be exchanged between Private Experimental Stations (termed Amateur Stations in Canada) of different countries. The relevant provisions in this connection set down under Article 6 of the General Regulations, read as follows:—

ARTICLE 6

Private Experimental Stations

1. The exchange of communications between private experimental stations of different countries shall be forbidden if the Administration of one of the interested countries has given notice of its opposition to this exchange.

2. When this exchange is permitted the communications must, unless the interested countries have entered into other agreements among themselves, be
