56 Stat. 1912; Executive Agreement Series 308

The Acting Secretary of State to the British Ambassador

DEPARTMENT OF STATE

WASHINGTON

March 30, 1942

EXCELLENCY:

I have the honor to refer to conversations which have taken place between officers of the British Embassy and of the Department with respect to the application of the United States Selective Training and Service Act of 1940,³ as amended, to British subjects residing in the United States.

As you are aware the Act provides that with certain exceptions every male citizen of the United States and every other male person residing in the United States between the ages of 18 and 65 shall register. The Act further provides that, with certain exceptions, registrants within specified age limits are liable for active military service in the United States armed forces.

This Government recognizes that from the standpoint of morale of the individuals concerned and the over-all military effort of the countries at war with the Axis Powers, it would be desirable to permit certain classes of individuals who have registered or who may register under the Selective Training and Service Act of 1940, as amended, to enlist in the armed forces of a co-belligerent country, should they desire to do so. It will be recalled that

¹ Certain other agreements between the United States and the United Kingdom were, or are, applicable to India. See *post*, UNITED KINGDOM.

² Upon termination of functions of U.S. Selective Service System (60 Stat. 341).

³ 54 Stat. 885.
