EMBASSY OF THE
UNITED STATES OF AMERICA

Quito, August 6, 1948

No. 227

EXCELLENCY:

I have the honor to refer to the notes exchanged between His Excellency the Minister Counselor of the Ecuadoran Embassy to the United States of America and His Excellency the Under Secretary of State of the United States of America on February 24, 1942,² and the Basic Agreement, as amended, between the Republic of Ecuador and The Institute of Inter-American Affairs, entered into in January 1943, providing for the initiation and execution of the existing cooperative health and sanitation program in Ecuador. I also refer to Your Excellency's note no. 123-DDP, of August 5, 1948, suggesting the consideration by our respective Governments of a further extension of that Agreement.

As Your Excellency knows, the above referred to Basic Agreement provides that the cooperative health and sanitation program will terminate on June 30, 1948. However, considering the mutual benefits which both governments are deriving from the program, my Government agrees with the Republic of Ecuador that an extension of such program would be desirable. I have been advised by the Department of State in Washington that arrangements may now be made for the Institute to continue its participation in the cooperative program for a period of one year, from June 30, 1948, through June 30, 1949. It would be understood that, during such period of extension,
