ROYAL DANISH LEGATION

WASHINGTON, D.C.

October 23, 1945

SIR,

On December 16, 1944, an Agreement Relating to Air Transport Services was concluded between Denmark and the United States of America,² effective provisionally from January 1, 1945. Acting upon instruction from my Government, I now have the honor to advise you that by Royal decree of September 29, 1945, this Air Transport Agreement has been confirmed by the Danish Government.

At the same time I beg to inform you that I have been instructed to discuss with the American authorities the following two amendments to the Agreement (I and II) of which No. I is proposed by the Danish Government and No. II by the American Government:

I

The Danish Government would appreciate as a matter of reciprocity to have the last lines of paragraph B in the Annex to the Air Transport Agreement amended to read as follows:

"Denmark to the United States and points beyond via immediate points; in both directions."

II

With reference to paragraph A of the Annex to the Air Transport Agreement, the American Government has expressed a wish through the American Legation in Copenhagen that a clause be inserted at the end of the paragraph, reading as follows:

¹ 9 UST 1005; TIAS 4071.

² EAS 430, *ante*, p. 114.
