No. 93

EXCELLENCY:

I have the honor to inform Your Excellency that the common interests of Canada and the United States in Defence, their proximity and the complementary characteristics of their resources clearly indicate the advantages of coordinating their plans for industrial mobilization, in order that the most effective use may be made of the productive facilities of the two countries.

The functions of the Department of Trade and Commerce and the Industrial Defence Board in Canada and those of the National Security Resources Board and the Munitions Board in the United States suggest that, for the present, it would be appropriate to use these Agencies to assist the two Governments in coordinating their Industrial Mobilization Plans.

Therefore, my Government wishes to propose that the two Governments agree:

(a) That a Joint Industrial Mobilization Committee be now constituted consisting, on the United States side, of the Chairman of the National Security Resources Board and the Chairman of the Munitions Board and, on the Canadian side, of the Chairman of the Industrial Defence Board and a Senior Official of the Department of Trade and Commerce:

(b) That the Joint Committee:

(i) Exchange information with a view to the coordination of the plans of the United States and Canada for Industrial Mobilization;

(ii) Consider what recommendations in the field of Industrial Mobilization planning, in areas of common concern, should be made to each Government;

(iii) Be empowered to organize Joint Sub-Committees from time to time to facilitate the discharge of its functions;
