DEPARTMENT OF STATE

WASHINGTON

*April 2, 1945*

### EXCELLENCY:

I have the honor to refer to the verbal indication made on March 23, 1945, by an officer of the Ecuadorean Embassy to an officer of the Department of State that Your Excellency's Government desires to conclude an agreement with this Government with respect to the application of the United States Selective Training and Service Act of 1940, as amended,<sup>2</sup> to Ecuadorean nationals residing in the United States.

As you are aware, the Act provides that with certain exceptions every male citizen of the United States and every other male person between the ages of eighteen and sixty-five residing in the United States shall register. The Act further provides that, with certain exceptions, registrants within specified age limits are liable for active military service in the United States armed forces.

This Government recognizes that from the standpoint of morale of the individuals concerned and the over-all military effort of the countries at war with the Axis Powers, it is desirable to permit certain nationals of cobelligerent countries who have registered or who may register under the Selective Training and Service Act of 1940, as amended, to enlist in the armed forces of their own country, should they desire to do so. It will be recalled that during the World War this Government signed conventions with certain associated powers on this subject. The United States Government believes, however, that under existing circumstances the same ends may now be accomplished through administrative action, thus obviating the delays incident to the signing and ratification of conventions.

<sup>1</sup> Upon termination of functions of U.S. Selective Service System (60 Stat. 341).

<sup>2</sup> 54 Stat. 885.
