No. 420

EXCELLENCY:

I have the honor to refer to the agreement for cooperative rubber investigations in Costa Rica, between the United States of America and the Republic of Costa Rica, effected by notes dated April 19, 1941 and June 16, 1941<sup>1</sup> exchanged between the American Chargé d'Affaires ad interim and Your Excellency.

I have the honor now to inform you that as a result of practical considerations which have arisen in connection with the establishment and operation of the rubber experiment station in accordance with the above-mentioned agreement, it has been found to be desirable that a supplementary agreement be entered into between the United States of America and the Republic of Costa Rica for the purpose of defining more clearly certain procedures affecting the sale of products grown on the lands used by the said rubber experiment station and in order to facilitate the continued development of rubber investigations and demonstration plantings in Costa Rica.

Accordingly, I have the honor to inform Your Excellency that the Government of the United States of America is prepared to give effect to a supplementary agreement relating to cooperative rubber investigations in Costa Rica in the following terms:

### ARTICLE I

In the sale of products which have been grown and are now on, or which are or may be developed or cultivated as a result of rubber investigations and demonstration plantings on, the lands owned by the Government of the Republic of Costa Rica and provided by the Government of the Republic of
