The American Ambassador to the Minister of Foreign Affairs

No. 90

GUATEMALA, June 29, 1948

EXCELLENCY:

I have the honor to refer to the Basic Agreement between the Republic of Guatemala and the Inter-American Educational Foundation, Inc., dated August 12, 1944,⁴ as later modified and extended,⁵ which provided for the initiation and execution of the existing cooperative educational program in Guatemala. I also refer to the note of April 16, 1948, in which the Ambassador of Guatemala to the United States of America requested the Secretary of State of my Government to arrange, if possible, for the extension of that Agreement.

In accordance with legislation enacted during 1947 by the Congress and approved by the President of the United States all of the property, funds, functions, personnel, liabilities, and restrictions of the Inter-American Educational Foundation, Inc., were transferred to The Institute of Inter-American Affairs, a corporate instrumentality of the United States created by such legislative action. Consequently, the participation by the United States in the cooperative education program is now being effectuated through The Institute of Inter-American Affairs.

As Your Excellency knows, the agreement of August 12, 1944, provides that the cooperative education program will terminate on July 30, 1948.
