No. 38

EXCELLENCY:

I have the honor to refer to the note of the Acting Secretary of State of the United States of America of October 1, 1943, and to the reply of His Excellency the Ambassador of Uruguay in Washington,¹ relative to the cooperative program of public health and sanitation provided for by Resolution XXX approved at the Third Meeting of the Ministers of Foreign Affairs of the American Republics held at Rio de Janeiro in January, 1942.² Pursuant to this exchange of notes, the Executive Vice-President of The Institute of Inter-American Affairs, an agency of the Government of the United States of America, addressed under date of November 13, 1943, a communication to His Excellency the Minister of Public Health, in which he outlined the terms and conditions under which The Institute of Inter-American Affairs would be prepared to carry out a cooperative program of public health and sanitation in the Republic of Uruguay. This proposal was accepted by the Minister of Public Health on November 17, 1943, and under these arrangements the health and sanitation program has been successfully carried out in Uruguay.

More recently there have been conversations between the Chief of Field Party of The Institute and His Excellency the Minister of Public Health with
