The American Minister to the Secretary of State for External Affairs

LEGATION OF THE
UNITED STATES OF AMERICA
Ottawa, Canada, August 14, 1942

No. 738

SIR:

I have the honor to refer to my conversation with Mr. Keenleyside on June 26 last, in which on behalf of the Government of the United States I requested the approval of the Canadian Government for the establishment of an oil supply line which would be supplementary to that known as the Canol project which was dealt with in my note of June 27 and your reply of June 29, 1942.⁴

As I pointed out, this supplementary project would involve the transportation in tank cars of gasoline destined for the use of the United States Army in Alaska to Prince Rupert, where authority was requested for the American Government to build by contract suitable storage and loading facilities, and thence by barge to Skagway, Alaska. From Skagway to Whitehorse a four-inch pipeline would be laid under contracts let by the American Government, and the authority of the Canadian Government was requested to lay that section of the pipeline within Canadian territory. At Whitehorse the gasoline would be stored in the facilities being built under the Canol project.

The Canadian Government was good enough to inform me orally on June 27 that it approved the establishment of the new supply line as outlined in the preceding paragraph.

My Government has instructed me to propose to the Canadian Government that the terms of the agreement reached in the exchange of notes of June 27-June 29, 1942, on the Canol project shall apply also, mutatis
