No. 2021

EXCELLENCY:

I have the honor to refer to our conversations relative to a cooperative program of health and sanitation in the Republic of Chile, with particular reference to Resolution No. XXX approved at the Third Meeting of Ministers of Foreign Affairs of the American Republics held at Rio de Janeiro, Brazil, in January, 1942.<sup>5</sup>

If desired by the Government of Chile, the Government of the United States is prepared to contribute a sum not to exceed five million dollars for a cooperative program of health and sanitation in Chile, such sum to be made available through the Office of the Coordinator of Inter-American Affairs. The United States Government will also provide a group of experts in public health to cooperate with the officials of the Government of Chile in the execution of the proposed program of health and sanitation.

It is understood that the Government of Chile will furnish such personnel, services and funds for local expenditures as it may consider necessary for the efficient development of the program.
