No. 19

TEGUCIGALPA, D. C., June 29, 1948

EXCELLENCY:

I have the honor to refer to the Basic Agreement between the Government of Honduras and The Institute of Inter-American Affairs, dated July 8, 1942,² as later modified and extended,³ which provided for the initiation and execution of the existing cooperative health and sanitation program in Honduras. I also refer to Your Excellency's note of April 21, 1948, suggesting the consideration by our respective Governments of a further extension of that Agreement.

As Your Excellency knows, the agreement of July 8, 1942, as amended, provides that the cooperative health and sanitation program will terminate on June 30, 1948. However, considering the mutual benefits which both governments are deriving from the program, my Government agrees with the Government of Honduras that an extension of such program would be desirable. I have been advised by the Department of State in Washington that arrangements may now be made for the Institute to continue its participation in the cooperative program for a period of one year, from June 30, 1948, through June 30, 1949. It would be understood that, during such period of extension, the Institute would make a contribution of \$50,000 United States Currency to the Servicio Cooperativo Inter-Americano de Salud Pública for use in carrying out project activities of the program on condition that your Government would contribute to the Servicio for the same purpose the sum of L.500,000. The Institute would also be willing during the same extension
